Blue Spring Heritage Center
Wedding Information

Blue Spring Heritage Center offers the perfect garden setting for a Spring, Summer or Fall wedding. We know that you will find one of our eight wedding locations perfect for your special day.

Blue Spring wedding sites are priced for a ONE HOUR rental. Specific 60 minute intervals will be agreed upon and honored. Fees are for the use of sites only, and include chairs and/or benches for the appropriate number of guests you have invited, as long as you have made arrangements for the guest seating with the office.
We have tables, white arches and canopy tents available to rent through our office. Items for rent are subject to availability and need to be reserved for rental in advance.

There is a regular admission charge to view the wedding sites. The charge for two people will be deducted from the final wedding cost if a wedding is booked.

Blue Spring Heritage Center is open to the public from 9:00 a.m. until 6:00 p.m. daily. If you desire private use of a specific location, it will be necessary to schedule events after closing hours, so long as there are sufficient daylight hours for that particular time of year. The fee for any event scheduled after 6:00 p.m., or lasting longer than 6:00 p.m. is an extra $100.00 per hour, with a 2 hour minimum. We have found the public to be very considerate of our wedding parties, so don’t let that deter you from scheduling your event during regular Heritage Center hours.

Rehearsals
If a rehearsal is required for the wedding party, it must be scheduled with the office. Thirty minutes is allowed for this purpose, and ONLY the bridal party, NO GUESTS are to be included. The cost of rehearsal time is $50.00.

Receptions
Blue Spring Heritage Center is an ideal site for receptions. We do not have catering on the grounds, but we will provide you with the names of wedding consultants and approved caterers. You must use one of the Center’s approved caterers or have yours approved by the office here at Blue Spring Heritage Center before you have a food or beverage function on our grounds.
Sites for a reception are available for rental. The fee for use of a site for a reception is one half of the fee for that site for a wedding when the wedding is held on site immediately before. For a reception alone, the fee is the same as the fee at that site for a wedding. Fees are for the use of the site only, but you can arrange with our office to rent tables to set up food and beverages. Tablecloths are NOT provided, so be sure you check with the office on table sizes if you wish to bring your own.

Ministers and Other Services
Blue Spring Heritage Center usually has a minister on site, or we can obtain a local minister, licensed in the state of Arkansas, to perform your ceremony if you wish. White wedding arches and canopy tents that are available for rental can be decorated as well. Fees for these services and prices for these items are on the wedding price sheet. You are welcome to bring your own photographer ~ or ~ you can call the Eureka Springs Chamber of Commerce at (479) 253-8737 to request contact information for local professional wedding photographers.
